

1. Review and increase present superannuation amount.
2. We support keeping same age of superannuation.
3. Provide more easy options and accesibility of mediacd assistance including doctors and specialist for seniors. Priority for seniors in medical surgery.
4. Investigate the adequacy of the retirement village stock for the aging population.
5. The issuance of nontransferable or tradeable 'Electricity Coupons' which can be used to credit a senior's electricity account.
6. Food coupons nontransferable for seniors who are struggling with food.
7. Subsidised dental care using PPNZ's proposed Sugary Drinks Tax.
