

# Protect & Prosper New Zealand

## IMMIGRATION POLICY

Updated February 2023

**Stress-free Immigration  
without any discrimination**

**Fast-track visa for  
Families and Parents**

1. Listen to industry experts on the level and specific requirements, Develop a plan two years ahead, by estimating future requirements.
2. Introduce fast-track Visa processing to immediately help struggling New Zealand businesses. Promote high-talent skilled immigrants.
3. Fast-track Resident visas for all working skilled immigrants and their families who are contributing to the NZ economy. (Regardless of their salary, ethnicity, age, and gender).
4. Bring in workers such as doctors, nurses, medical technicians, construction, trade, horticultural and farming workers to fill the current demand.
5. Reform immigration process and remove harrasment faced by immigrants.
6. Develop specific policies emphasising family reunion.
7. Fast track all parents Visas. Introduce 12 Years parent visa, present requirement of 200k income and IELTS to be removed and in future no strings should be attached with family and parent visas.
